

LEVELS I & II PROGRAMS

2023-2024 SCHEDULE
August 14, 2023 – June 15, 2024

Levels 1 & 2 programs continue to build on the foundations that were taught in earlier classes. Students begin to develop strength, control, and flexibility in their movements. Their training will start to focus on building a solid foundation in movement, vocabulary, and proper technique, all while gaining confidence and growing as an artist. Dancers have on stage performance opportunities in our Holiday Showcase and Nutcracker Suite in December, and the annual Spring Recital and Mini Ballet in June (date TBA). **We are excited to provide you with our tech-enabled studios. All classes are available in studio and via live stream to your home(by request).**
